## Jane M. Klausman Women in Business Scholarships

### PROGRAM BACKGROUND/STATISTICS

December 2013

#### Purpose

---

This program was established in 1998 to encourage undergraduate women to enter careers and seek leadership positions in business-related fields. The program ultimately seeks to influence business decisions that positively affect women by increasing the number of women in executive positions in the field of business management. This program was established from a bequest by Jane M. Klausman, a member of the Zonta Club of Syracuse, New York USA, and the 1990-1995 Zonta International Parliamentarian.

This program operates at the club, district and international levels of Zonta International. Clubs and Districts/Region South America are advised to appoint committees to manage these program responsibilities.

#### Program Statistics

---

Since the inception of the program in **1998**, Zonta has awarded **357 Scholarships** (includes international awards and second award recipients) totaling **US \$778,800** to **275 women** representing **47 countries**.

#### The Scholarship

---

**2012-Present:** In February 2012, the ZIF and ZI Boards approved increasing the amount of funding for the international scholarship from US\$5,000 to US\$7,000 to the twelve international recipients. Zonta International will continue to offer the US\$1,000 district scholarships.

**2010-2011:** Zonta International reintroduced scholarships of US \$1,000 for each qualified district recipient in addition to the 12 International scholarships of US \$5,000 each. The program was also expanded to include women enrolled in at least the second year of an undergraduate program through the final year of a Master's program.

**2008-2009:** In 2008, Zonta International began offering twelve international scholarships in the amount of US \$5,000.

**2005-2007:** In 2005, Zonta International offered six international scholarships in the amount of US\$5,000 to women in their third or fourth year of undergraduate business study. District awards are no longer offered. Clubs and districts are encouraged to provide their own award at the club and district levels.

**1999-2004:** Zonta International offered US\$400 for district recipients and US\$4,000 for five international recipients. In February 2004, the ZI and ZIF Boards undertook a comprehensive review of all of Zonta's programs. As a result of that review, some changes were made to the program to increase the value and prestige of the Women in Business Scholarships, and enable cost effective progress toward the program goal and achievement of Zonta's mission.

#### How are the Jane M. Klausman (JMK) Recipients Chosen?

---

Zonta Clubs publicize the program in their communities and distribute, receive and evaluate applications. Zonta Clubs select one application to send to the Zonta Governor/Region South America Representative. A District/Region South America evaluation committee selects one applicant per District/Region South America to submit to Zonta International Headquarters. The Zonta International Jane M. Klausman Women

in Business Scholarship Committee recommends twelve applicants for JMK International Scholarships to the Zonta International Board (or the Executive Committee acting on its behalf) for approval.
